Tick-tock: it's LVMH Watch Week o'clock

The most mesmerising timepieces at the annual watch event

L'Épée 1839 begins with a box

L'Épée 1839 watch box, £9,000

The ninth exhibitor is one of LVMH's latest acquisitions, clockmaker L'Épée 1839, which has chosen not to exhibit a timepiece but prefers to burnish its credentials as a manufacturer specialising in the design and production of "high-end mechanical creations" by presenting a mechanical watch box that it describes as a VIP lounge for your timepiece.
